

Dear Parents,

The Madeleine Cookie Dough Sale has begun! You should have received a packet sent home with your child on Tuesday (If you did not receive a packet, please contact me.)

The Cookie Dough Sale fundraiser is meant to be a convenience for our families during the busy Holiday season.

Over the years, many Madeleine families have found that their coworkers and family members anxiously await the annual sale!

We encourage you to ask family members, friends, and/or coworkers if they would like to share in the convenience of ordering some of the tasty cookie dough, but please do not think that you or your child(ren) are expected to meet any sales quota. This is a great PA fundraiser, as 40% of all sales goes directly to MAD Band support.

Please remember that there are price differences: the 3-lb. tubs cost \$12 (except for the tubs of white chocolate macadamia, which cost \$13); the 3-lb. boxes of preformed cookies cost \$13 (\$14 for white chocolate macadamia); the 4-pack Happy Dough costs \$13; and the 3-lb. Variety Pack of preformed cookies costs \$15. All money due must accompany the order form. Orders should be in by November 14.

The cookie dough will be delivered and ready for pickup from the ECP area on Wednesday, December 3.

Please feel free to contact me with any questions or ideas. And, of course, more order forms are always available. Order forms are kept in the holders near the office. You can also get extra order forms from me.

Thanks for your assistance,

Laurie Matte, coordinator
